

Dear

Re:

**At this time we have decided not to take on the prescribing and formal monitoring of this medication in line with the recommendations of the Pan Mersey Area Prescribing Committee of which NHS Wirral Place is a member.**

The reason for our decision is that this medication is classified as

RED- Hospital Only prescribing.

GREY - Not recommended for use, awaiting Pan Mersey RAG status decision.

AMBER RETAINED - Patient is not stabilised after initiation and/or patient has been discharged.

NON-FORMULARY - Not recommended for use as not on the Pan Mersey formulary

A HOSPITAL CLINICAL TRIAL DRUG

OTHER Please specify

BLACK - Not recommended for use in any setting.

AMBER INITIATED - Patient is not stabilised after initiation

PURPLE - Shared care drug with no shared care guidance/agreement provided.

UNLICENSED - unlicensed drug/dose/indication where the prescriber is unwilling to take clinical responsibility.
