

Wound Care Supplies for Patients under the Care of Wirral Community Nurses

- Patients under the care of Community Nurses (including Residential Homes) are commissioned to have their wound care products supplied from the Community Nurse Wound Care Store.
- All formulary wound care (or cost-effective alternatives) are stocked.
- Where a non-formulary item is required for clinical reasons this will be requested using the Wirral Wound Care Non-Formulary Exception Reporting Form
- Items shaded in grey are formulary items that are no longer stocked. They can however be prescribed or ordered by the Community Nurses if required and should NOT be requested from GPs.
- Items shaded in green are non-formulary but have been added to stock as cost-effective choices.

NO ITEMS ON THE LIST BELOW SHOULD BE ORDERED FROM THE GP
